Oct. 2013- March 2014	Gooderson Monks Cowl Golf Resort Greenkeeper/Advisor/Consultant
May 2016- Present	Margate Country Club Greenkeeper

I have been a member of the Turf Masters Association, Kwazulu Natal for the past 15 years.

I have attended numerous courses and workshops, listed hereunder, organised by the TMA during my time at Port Shepstone and San Lameer Country Club.

Top Turf Group Course “Inspiring us to do business as it has never been done before”.

Soil and Root Analysis by John Klug, University of Natal, Pietermaritzburg.

Irrigation and Watering Programmes by Paddy Carlisle, Controlled Irrigation Rain Bird.

Pest and Fungicide Control by Pye Bredenkamp & Co.

Service Certificates on Golf Machinery – Toro (Smith) and John Deere.

Re-Building of greens and putting greens by Mike Kruger Super Lawns.

Safety, Health and Environmental Courses organised by San Lameer Country Club.

Delegation and Leadership Courses by Kent Davies, Turf Masters Association.

Water Penetration in Soils by John Klug University of Natal, Pietermaritzburg.

Fungicides, Herbicides and Insecticides Courses by Bennie Buys, Syngenta.

Plus many more involving greenkeeping. This includes 20 years experience in short and long term solutions and setting up of budgets.

I have a sound knowledge of the following grasses used in Natal, namely:

Paspalum, Country Club

Cynodon, all types

Buffalo/Kearsney

Kikuyu

Kweek

Poa Trivialis

GENERAL

I am a keen golfer, having played for Natal Country Districts for many years.

I re-built five greens at Port Shepstone Country Club as well as a Putting green.

I have built Paspalum Nurseries at San Lameer Country Club and converted Tees from cynodon to paspalum, also at San Lameer Country Club.

I maintained a nine hole Mashie Course and the bowling greens at San Lameer Country Club over and above the main golf course.
